### USER GUIDE 15A

### SCHOOLS - CITY OF SUNDERLAND

This User Guide outlines the records held relating to individual schools in the City of Sunderland. Separate User Guides are available for records of schools in Gateshead MBC (15B), North Tyneside MBC (15C), Newcastle City (15D) and South Tyneside MBC (15E).

This User Guide is not a comprehensive list of all references to individual schools. The records included here are those normally maintained by the schools themselves and "strays" which are part of collections not associated with education in the City of Sunderland.

References to individual schools will also be found in School Board and Education Committees records. Education Departments of local authorities often maintained files on individual schools and groups of schools such as Multilateral Units, as do some Administrative or Legal Departments. Plans and planning applications may be found in the records of Local Authority Engineers, Surveyors, Planning or Architects Departments. [See User Guide 13]

Finally, Police and Fire Authority records may contain reports on incidents of vandalism, fires etc.

**We do not hold examination results.**

**See [http://web.aqa.org.uk/admin/p\\_records.php](http://web.aqa.org.uk/admin/p_records.php) for location of records of some current and past examination boards.**

Abbreviations used throughout this guide:-

LB = log books	AR = Admissions registers
PB = punishment books	M = Managers/Governors minutes
P = photographs	DR = Discharge registers
O = anything other than the above	

**NB Access to records containing information of a sensitive personal nature is restricted. Please ask a member of staff for more details.**

Please enquire about access to any unlisted collections..

Where records have been classified the classmark appears in brackets after the name of the school.
