USER GUIDE 5

SHIPBUILDING, OUTFITTING, REGISTRATION & REPAIR

This User Guide provides a summary of the following types of records held here:

- Shipbuilding
- Marine Engineering
- Ships Outfitting
- Ship Repairing
- Ship Registration
- Professional and Employers Association

Please check all sections as a number of companies were involved in more than one activity.

Information about navigation and maritime trade records, may be found in User Guide 6.

Please enquire in advance about access to any unlisted collections. A microfilm reader should be booked in advance in order to view documents which have been microfilmed.

1. Shipbuilding

Ref 538

5. Ship Registration

The shipping registers date from 1786 and were originally held by HM Customs and Excise. The registers prior to 1824 include basic information such as number, name, port and date after which they give details of tonnage and rigging, together with hull, stern, galley and figurehead dimensions. A separate series of transaction books dates from 1855 and indicates sales, mortgages, shares etc.

Port of :-

Newcastle upon Tyne (includes entries for the whole river to 1848): registers, 1786-1989; transaction books, 1855-1931; transfer book 1874-1989; appropriation book 1900-1994 **Ref 2870 (unlisted), 4290 (unlisted), EX.NC (part microfilm)**
